DYNAGENIX®
MUSCLE+JOINT FORMULA

Feel Better, Move Better, In Days Not Weeks

FROM ACTIVE RECOVERY TO EVERYDAY JOINT COMFORT

CLINICALLY STUDIED
Backed by two human clinical studies in two different study populations.

SCIENCE-BACKED *BOSWELLIA*
A potent, low-dose, water-soluble *Boswellia serrata* extract standardized to 78% AKBA.

FAST-ACTING JOINT SUPPORT
Supports joint comfort, stiffness, and function.†

MUSCLE AND JOINT RECOVERY
Supports muscle and joint recovery following exercise and everyday physical activity.†

MARKET TRENDS

Preventative Health is on the Rise

73%
of Americans said they would rather "live better" than "live longer" a 2026 survey showed.[1]

2 IN 3
More than 2/3 of Americans said aging well matters more than staying youthful.[1]

92%
of supplement users say supplements are essential to maintain their health.[2]

Move Well. Stay Active.

Supporting muscle and joint health today can help consumers maintain the mobility and physical function that support an active lifestyle.

DYNAGENIX® AT A GLANCE

What is Dynagenix®?

- *Boswellia serrata* an advanced botanical extract
- Low dose 40-60 mg/day
- Water-soluble and neutral-tasting

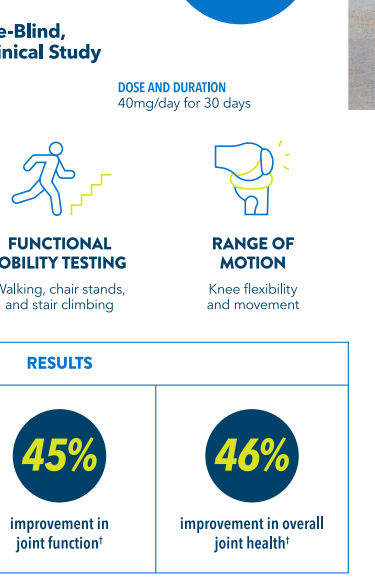

What does Dynagenix® do?

Dynagenix® is a *Boswellia serrata* extract clinically studied to support joint comfort, flexibility, mobility, and function, while also supporting muscle and joint recovery after exercise.†

Its low-dose, water-soluble, neutral-tasting format offers flexibility for a wide range of consumer-friendly applications.

TWO STUDIES, TWO POPULATIONS

THE SCIENCE BEHIND DYNAGENIX®

Moving Better Matters

Dynagenix® clinical studies evaluate how people feel and how they function, using validated joint-health assessments alongside real-world measures of mobility, flexibility, strength, and physical performance. Dynagenix® has been studied in both older and younger adults to support recovery and performance.

5 DAYS
Dynagenix offers fast acting joint health support

2025 STUDY

A Randomized, Double-Blind, Placebo-Controlled Clinical Study

PARTICIPANTS
72 Men and Women, Ages 40-70

DOSE AND DURATION
40mg/day for 30 days

WOMAC ASSESSMENT
Joint comfort, stiffness, and function

FUNCTIONAL MOBILITY TESTING
Walking, chair stands, and stair climbing

RANGE OF MOTION
Knee flexibility and movement

RESULTS

47%	45%	46%
improvement in joint comfort and stiffness†	improvement in joint function†	improvement in overall joint health†

Support Recovery After Exercise

2019 STUDY

A Randomized, Double-Blind, Placebo-Controlled Clinical Study

DOSE AND DURATION
60mg/day

PARTICIPANTS
50 Recreationally Active Men, Ages 25-40

MUSCLE SORENESS AND STIFFNESS

PERCEIVED EXERTION

BIOMARKERS OF EXERCISE-INDUCED INFLAMMATION

RESULTS

47%	31%	96%
Up to 47% less muscle soreness†	Up to 31% less joint soreness†	recovered full strength by Recovery Day 3†

ONLY CLINICALLY STUDIED WATER-SOLUBLE INGREDIENT ON THE MARKET

HIGHLY SOLUBLE
Dynagenix® uses proprietary processing to create a water-soluble Boswellia extract standardized to 78% total boswellic acids.

NEUTRAL TASTE
Dynagenix® has a neutral taste profile that allows brands to develop products without compromising on flavor.

What Product Applications can you use Dynagenix in?

Chews • Soft Gels • Stick Packs
Capsules • Tablets • Powders
Gummies • Beverage • Effervescents
